Product Overview: G4 Green Chilli Fresh, under the renowned DAARAAB brand, represents the pinnacle of quality in fresh produce. These green chillies are cultivated in the most fertile regions, ensuring they are packed with flavour, heat, and a crisp texture. Specifically grown and selected for export, G4 Green Chillies are perfect for both commercial use and home cooking, catering to a wide array of culinary needs.

Packaging Details:

- **Packaging Type:** Carton Box
- **Net Weight:** 3.8 kg
- **Packaging Description:** Each carton box is meticulously designed to maintain the chillies' freshness and quality during transportation. The packaging is robust, featuring adequate ventilation to prevent moisture buildup, thereby extending the shelf life of the chillies and protecting them from physical damage.

Product Features:

- **Superior Quality:** Sourced from top-tier farms using sustainable agricultural practices, ensuring the chillies are free from pesticides and harmful chemicals.
- **Freshness and Flavor:** Handpicked at the peak of ripeness to ensure maximum flavor, crispness, and nutritional value.
- **Safety and Hygiene:** Packaged in a controlled, hygienic environment adhering to international food safety standards.
- **Export-Grade:** Compliant with all export regulations and standards required for the UAE market, ensuring hassle-free importation and distribution.

Culinary Uses: G4 Green Chilli Fresh is ideal for enhancing the flavor profile of various dishes across different cuisines. It is perfect for:

- Indian curries and chutneys
- Middle Eastern dips and salads
- Asian stir-fries and sauces
- Mexican salsas and marinades

Storage Instructions: To maintain optimal freshness, store the green chillies in a cool, dry place. Refrigeration is recommended to extend their shelf life and preserve their vibrant color and spicy taste.

Nutritional Benefits: Green chillies are rich in vitamins A, C, and K, and provide a good source of dietary fibre, capsaicin, and antioxidants, contributing to overall health and well-being.

About DAARAAB: DAARAAB is Brand name under (AL AHMED CONTINENTAL) synonymous with quality and reliability in the fresh produce industry. Our commitment to excellence ensures that every batch of G4 Green Chilli Fresh meets the highest standards of taste, safety, and freshness, making it a preferred choice for consumers and chefs alike.

SL	DESCRIPTION	QUANTITY	RATE	AMOUNT
1	Fresh green chilli G4, farm fresh picked Jute bag packed	22,000 Kg	60/- INR	13,20,000/-
2	Cartoon boxes with brand name printed and with eye catching printings on it	4340 Boxes	25/- INR	1,08,500/-
3	Sorting, packing in boxes and storing in cold storage for pre-cooling before stuffing into containers.	4340 Boxes	15/- INR	65,100/-
4	40' Reefer container and CHA charges	1 container	1,35,000/-	1,35,000/-
	Total Amount to transit one container to UAE.			16,28,600/-

As per today 5 JUNE 2025 the market at UAE Al-Aweer, is selling G4 chilli per box of 3.8Kg at 18 - 25 AED.

Therefore for a clarity and workings we assume and calculate as below:

AED 18 x 22.5 INR = 405 INR/Box.

Simple calculations:

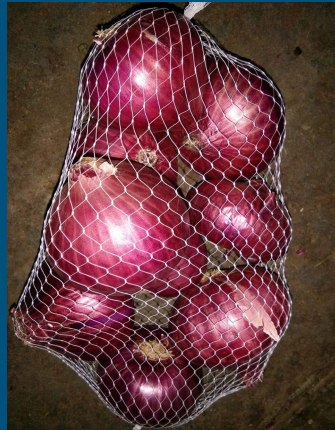

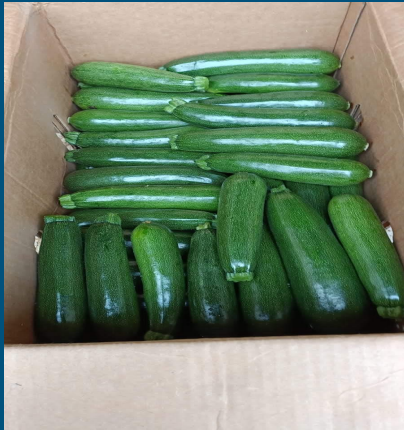

405 x 4340 box = **17,57,700/- INR** Selling.

Sales - Purchase = Net profit.

17,57,700 - 16,28,600 = **1,29,100/-**

For one container, complete transaction in 15 days and is repeated twice in a month.

(1,29,100/- x 2 = 2,58,200/- INR)

Note: Fresh Vegetable commodity may change(Lemon, Drum sticks, Muskmelon, Onion, depending on the market ask form UAE Cucumber,Mixed Veggies), but the basic calculation and marginal profit may also fluctuate.

Hope this brief description will help understand the business model to carry out and take this forward with confidence and make name and fame along with fortune business Internationally. Overall, this project has laid a solid foundation for and we are confident that the findings will pave the way for continued innovation and progress. We look forward to seeing how these contributions will evolve and inspire future projects.
